### From the North:

On the Autostrada "del Sole" (A1) take the exit at **Valdichiana**. Then, continue along the dual-carriageway (called the **Raccordo Bettona-Perugia**) in the direction of **Perugia**, and take the exit named **Magione**.

Follow first the signs to **Magione** and after 1.5 km turn left at the large roundabout in the direction of **Chiusi**. Proceed along this road, after a while you will see **Lake Trasimeno** on your right-hand side.

You will come to a right-hand bend with a signpost indicating a left turn to **Mugnano**. Take this turn and pass around **Mugnano** following the direction to **Castiglione della Valle**. About 6-7 km after **Mugnano**, you will see **Castiglione della Valle** on your right-hand side.

At the roundabout at the bottom of **Castiglione della Valle** turn left in the direction of **Marsciano** and follow the sign "**Monticelli**". About 1 kilometre after **Castiglione della Valle** and about 50 meters after a small bridge on a river, you will pass the small hill of **Monticelli** on your left-hand side. ### From the South:

On the Autostrada "del Sole" (A1), exit at **Orte** going towards **Terni, Perugia** and **Cesena**.

**NB:** there are no junction numbers on Italian autostrade (motorways)! Take the E45 superstrada (dual-carriageway) north-eastwards. After about 21 kilometres, before you reach **Terni**, turn off (northwards) towards **Perugia, Cesena** and **Deruta**. Stay on this road and roughly 10 kilometres after **Todi**, exit the E45 at **Marsciano-Collepepe**.

At the T-junction, turn right towards **Marsciano** on the bridge over the E45. The road bends sharply to the left and you come to a T-junction. Turn right, again towards **Marsciano**. Follow a long straight road, to a roundabout, where you turn right (you do not need to give way here). You will be entering a small industrial zone (Zona Industriale Sud).

After about 300metres go straight ahead at the roundabout. After 200metres turn left at the next T-junction and after 150metres turn right at the next T-junction (this is the only tricky bit!). You may see signs to **Cerqueto** or **Perugia**. Follow this road for just under 1 kilometre, passing a petrol station on your left-hand side. Just after this petrol station, you will come to a small crossroads with no signposts. Turn left here and follow a small road up the hill, with a few houses dotted on either side of the road. After about 3.5 kilometres you come to a T-junction, where you turn right.

Continue along this road for about 3 kilometres, until you reach **Cerqueto**. Take the left turn towards **Spina, Tavernelle** and **Castiglione della Valle** (pronounced Castillionay della Vallay) and follow this road for about 14 kilometres. Take the second exit at the small roundabout, signposted **Perugia** and **Tavernelle** (the small town of **Spina** will be on your right-hand side). Roughly 4 km after the roundabout and 500 metres after the turning for **San Biagio della Valle** (on the right) you will see **La Serena** on your right-hand side, just before the hilltop borgo (hamlet) of Monticelli - the garden with the solar panels in it!

Turn right into our driveway and enjoy the welcome that is **La Serena in Umbria!** and the real start to your fantastic Umbrian holiday.
