

Directions to La Serena from Pisa Airport

By Car

Satellite Navigation Users: Please note that our address cannot be found on most systems. However, the following Longitude/Latitude coordinates should work! They are: **N 43° 00' 54" E 12° 15' 56"** (or if your Sat Nav is set to decimal, it is **N 43.015 & E 12.266**). The alternative is to enter Castiglione della Valle ('postcode' is 06072) which is only 1 kilometre away from us.

The journey from Pisa Airport will take approximately 2.5 hours. Once you have entered those into your system, enjoy the rest of the journey and concentrate on the Italian driving!! Buon Viaggio!

From Pisa Airport:

Exit from the airport and keep it behind you as you look for the blue signs that state **FI-PI-LI**. These signs refer to the dual-carriageway road that runs between Pisa (and the Airport), Livorno and Florence (Firenze in Italian) – hence **FI-PI-LI!** You will also see signs to **Empoli**, which is on the way to Firenze (Florence).

NB: There is another route to Firenze (Florence) via the Autostrada (Motorway), which will certainly get you there, but it is longer, takes more time and costs money!!

Once you are on the **FI-PI-LI** road, stay on it for about 70 km, where you will see the junction with the **A1 autostrada** (just before Firenze itself). Join the A1 signposted to **Arezzo** and **Roma** (don't follow the signs to Bologna or Lucca). You will need to collect a toll ticket from a machine at this point. The A1 is a toll-motorway, so make sure you have some Euros in cash with you. You should be able to use credit cards, but cash is much easier.

Continue along the autostrada past **Arezzo** for about 120 km, until you get to the exit called **Valdichiana**. **NB:** there are no junction numbers on Italian autostrade (motorways), only names!

Follow the signs to **Perugia**, through a couple of roundabouts and short roads, onto the dual-carriageway (called the **Raccordo Bettona-Perugia**) in the direction of **Perugia**. Follow this road for about 43 km, and take the exit named **Magione**.

Turn right onto the road signposted to **Magione** and after 1.5 km take the exit at the large roundabout in the direction of **Chiusi**. Proceed along this road, after a while you will see **Lake Trasimeno** on your right-hand side.

You will come to a right-hand bend with a signpost indicating a left turn to **Mugnano**. Take this left turn and continue for about 7 km, passing around **Mugnano** (on your left) following the direction to **Castiglione della Valle**. About 6-7 km after **Mugnano**, you will see **Castiglione della Valle** on your right-hand side.

At the roundabout at the bottom of **Castiglione della Valle** turn left in the direction of **Marsciano**. About 1 kilometre after **Castiglione della Valle** and about 50 meters after a small bridge on a river, you will pass the small hill of **Monticelli** on your left-hand side. Just after this hill, you will see **La Serena** on your left-hand side - the garden with the solar panels in it!

Turn left into our driveway and enjoy the welcome that is **La Serena in Umbria!** and the real start to your fantastic Umbrian holiday.
