

## Directions to La Serena from Perugia Railway Station

### By Car

**Satellite Navigation Users:** Please note that our address cannot be found on most systems. However, the following Longitude/Latitude coordinates should work! They are: **N 43° 00' 54" E 12° 15' 56"** (or if your Sat Nav is set to decimal, it is **N 43.015 & E 12.266**). The alternative is to enter Castiglione della Valle ('postcode' is 06072) which is only 1 kilometre away from us. The journey from Perugia Station will take approximately 20 to 30 minutes.

Once you have entered those into your system, enjoy the rest of the journey and concentrate on the Italian driving!! Buon Viaggio!

**From Perugia Station:** With the station behind you, drive up the hill in the left-hand lane. Follow the road around to the left, following a green sign to **Firenze/Roma** going underneath an office building. Take the middle lane at the traffic lights (with the Oxford School on your right) and follow the road around a right and left-hand bend, picking up blue signs to **Citta della Pieve** (you will still see the green sign too).

Follow the road under the new mini-metro bridge (red in colour) still following blue signs to **Citta della Pieve**. Continue following this road through 2 sets of traffic lights past lots of apartment buildings.

The road goes downhill and you will see a TRONY store on your left. After a right and left bend you will come to a roundabout. Take the 3<sup>rd</sup> exit, still towards **Citta della Pieve**. At the next roundabout, take the 2<sup>nd</sup> exit, this time to **Pila** (another blue sign). You will see a large store called EMISFERO straight ahead and you will come to a very large roundabout. Take the middle lane, still towards **Pila**, passing offices and shops. At the next roundabout, take the 2<sup>nd</sup> exit, avoiding the right-hand filter lane.

Go straight on at the traffic lights (with Bar Olimpia on your left), still towards **Pila**. Go straight on at the traffic lights in Pila towards **Spina, S. Biagio della Valle** and **Villanova**. Follow this road for about **8** kilometres, passing the Rendezvous Restaurant (not recommended by us!) on your left until you reach a T-junction.

Turn right here and follow the road downhill, past a turning on the right to S. Biagio della Valle and you will see you will see **La Serena** on your right-hand side, just before the hilltop borgo (hamlet) of Monticelli - the garden with the solar panels in it!

Turn right into our driveway and enjoy the welcome that is **La Serena in Umbria!** and the real start to your fantastic Umbrian holiday.
